

ENERGY:

The firm represents companies and projects in all phases of the energy industry.

- ◆ Upstream
- ◆ Midstream
- ◆ Downstream
- ◆ Services
- ◆ Real Estate
- ◆ Finance &
- ◆ Litigation

INDUSTRIAL:

The firm represents industrial companies and concerns in the following industries.

- ◆ Manufacturing
- ◆ Logistics
- ◆ Real Estate
- ◆ Import/Export
- ◆ Oilfield Services

The energy and industrial sectors are by their very nature complex, and so are their legal needs. Businesses that explore, develop, produce, manufacture, store, market, transport and process their products and resources are among the most capital intensive in the world. These business transactions are high stakes and high impact.

We advise clients on:

- * mergers and acquisitions
- * asset acquisitions
- * capital market and commercial bank financing of all types
- * state and federal regulatory matters
- * tax matters
- * litigation
- * Foreign Corrupt Practices Act counsel
- * corporate issues (including board and committee counseling)
- * regulatory enforcement
- * data breaches
- * reorganizations and restructurings
- * project development and financing
- * import/export
- * real estate/construction projects
- * strategic joint ventures, and
- * intellectual property issues
